

Tax Administration Jamaica

Working together to serve you EVEN better

Dear Client

Congratulations! We are pleased that you have taken this step to formalize your business and fulfill your obligations as a resident of this beautiful island, Jamaica.

Many of us have great ideas, few of us are bold enough to pursue our dreams. We commend your confidence, commitment and initiative.

Your Tax Kit is a quick and easy guide to the services offered by Tax Administration Jamaica and information necessary so you can start your business off on the right foot. The kit also gives you contact information for all the Revenue Service Centres and Tax Offices and a list of our many locations.

We take this opportunity to wish you every success and encourage you to utilize the services available to help your business remain compliant. We have introduced several services aimed at making it easier for you to pay your taxes and we welcome any suggestions or comments that you may have.

Again, congratulations and good luck!

Sincerely,
Tax Administration Jamaica (TAJ)
